## NEED TO KNOW

### What is an SMU scholarship?

An SMU Scholarship is a recognition of your all-round achievement as a student. More importantly, it is also a validation of your potential for success in the future. Depending on the type of scholarship, it generally covers all or part of your SMU tuition fees, sponsors you on university-related overseas trips and gives you opportunities to participate in leadership and networking events.

### Do I have what you're looking for?

SMU looks for individuals who care about their community and who want to make change that matters. If you demonstrate academic excellence, have outstanding leadership qualities and have shown commitment to your community, there's a good chance you're what we're looking for!

### Am I eligible to apply?

We have over 40 different types of scholarships for Singaporeans, Permanent Residents and international students. Do read the requirements and eligibility for each one before applying.

With so many individual scholarships on offer, there's a good chance of scoring one. Each year, 1 in 3 freshmen receives a scholarship or financial award.

### How many can I apply for at one time?

You will be able to list up to 5 preferred scholarships in the online application form.

**EACH YEAR, 1 IN 3 FRESHMEN RECEIVES A SCHOLARSHIP OR FINANCIAL AWARD.**

**"The scholarship has given me the financial security to go through university with my mind at ease. It also provides me with opportunities to go overseas on community service projects and study missions, as well as take modules specially curated for scholars. As a result, I have become a more confident and well-rounded person and am able to focus on my career aspirations in technology. SMU has also developed a desire in me to continue giving back to society in the future."**

“The Yip Pin Xiu Scholarship has allowed me to balance school and training simultaneously through the strong support from SMU. I would highly recommend this scholarship for individuals looking to pursue a holistic education without limits. Due to the nature of my sport, I often have to travel to competitions overseas and this would often clash with my class or exam timings. SMU and the School of Accountancy have been very accommodating and always help in making arrangements to allow me to travel for competitions. I’m very grateful as this scholarship has helped me excel academically and holistically.”
