STUDENT LIFE

Your time at the University of Southampton will make your degree a lot more than just a qualification. Our students can benefit from the best of both worlds by studying in Malaysia and in the UK.

OUR MALAYSIA CAMPUS

The University of Southampton Malaysia's new campus is part of Eco Botanic City in Iskandar Puteri. The multi-storey campus is built to accommodate up to 2,000 students and features state-of-the-art laboratories as well as teaching and learning facilities. It offers exceptional student lifestyle with various recreational activities around campus, which include:

- Cinemas and a wide range of entertainment facilities in a number of shopping malls within close proximity to Eco Botanic City.
- Retreat into nature or a beach getaway at the natural attractions in Johor such as the famous Mersing Islands and the Endau-Rompin National Park.
- Opportunities to travel to Singapore, Kuala Lumpur or other parts of Malaysia for short weekend trips, with convenient transport systems.
- Access to exceptional physical recreation and sports facilities, including football pitch, athletic track and Olympic-size swimming pool at a nearby sports complex.

Open Learning Space

Laboratories

Lecture Hall

Swimming Pool

OUR UK CAMPUS

The University of Southampton has five campuses in Southampton and one in Winchester. Each has its own distinct personality and community. Life as a student here will pave the way for academic excellence against the backdrop of a conducive study environment and an active social life. Benefits of studying at the UK campus include:

- Regular Unilink bus services for students to get around Southampton.
- Living in a friendly student community with competitive prices.
- Opportunities to join more than 300 clubs and societies, and try everything from archery and performing arts to debating and quidditch.
- Utilising the union's venues for large events, such as gigs and students balls.
