KHURRAM Aamenah (Pakistan)

Student, Bachelor of Arts (Honours) in Language Studies and Bachelor of Education (Honours) (English Language)

A bubble inside of Hong Kong as a whole, EdUHK's campus is in the hills of the New Territories, allowing you to experience a more authentic look at Hong Kong culture off of the Hong Kong Island, while also maintaining a diverse student and faculty population, whom you can turn to if you ever feel out of place. The university has fast become my new home, where I am surrounded by other prospective teachers, allowing me to immerse myself in discourse about academic research and pedagogy. Being here has also provided me with the opportunity to be independent and analyse my values and beliefs in a diverse environment, allowing me to really grow into myself. I really appreciate the academic community of EdUHK!
